## INTERNATIONAL ACADEMY OF MEDIATORS MEMBERSHIP CRITERIA

### Overview

New IAM members will be admitted to membership in the Academy under the following guidelines:

- Membership is by **invitation only**
- Membership is limited to **professional commercial mediators** who are **well established and recognized** in their local or regional community as **leading mediators** in the field
- The IAM is dedicated to **inclusiveness** and **diversity** across a full spectrum
- The Membership and Recruiting Committees assist Academy members in identifying mediators who meet the criteria for invitation by the Board of Governors to join as **Distinguished Fellows**

### Criteria for Admission to Membership as Distinguished Fellow

Nominees for membership in the Academy in the **Distinguished Fellow** category must generally meet the following **minimum qualifications** with respect to **mediation experience**:

- in commercial mediation practice at least **5 years**, with corresponding certification for those mediators who practice in jurisdictions that have certifications for commercial mediation
- at least **a majority of their professional efforts** are dedicated to commercial mediation
- in developed markets, must have worked at least **300 - 600 commercial mediation days**
- in emerging markets<sup>1</sup>, must have worked at least **150-300 commercial mediation days**
- in undeveloped markets<sup>2</sup>, must have worked at least **50-100 commercial mediation days**
- **mediation days** consist of **at least 4 hours** of work focused on **mediation of commercial disputes** (including teaching, training or facilitating as well as mediating disputes and excluding days spent mediating pro bono, small claims and domestic relations matters)
- **alternative mediator experience** may be considered provided it is **substantially equivalent** (participation in mediations as party or counsel is not considered mediator experience)

---

<sup>1</sup> “Emerging” markets are those areas or regions where relatively fewer commercial disputes are mediated, in contrast with developed markets where the majority of commercial disputes get referred to mediation, whether by courts, counsel or parties. Factors include: the extent to which mediation is mandatory, the length of time mediation has been in use, the types of disputes that go to mediation and the numbers of mediators who practice on a full or substantial-time basis.

<sup>2</sup> “Undeveloped” markets are those areas or regions where mediation is just beginning to be utilized and thus very few commercial disputes are mediated and very few mediators practice on a full or substantial-time basis.

### **Membership Nomination Process**

**Invitations** to join the Academy are issued only upon **approval** by the **Board of Governors** of a **Nomination** from a qualified **Sponsor** and **Co-sponsor**

- **Nominations** are **submitted** to the Board of Governors **only from** qualified **Co-Sponsors** on a form that includes **attestations vouching** that the prospective new member is a ***pre-eminent distinguished or rising star mediator*** in their local community
- **Nominees for membership** are encouraged (not required) to **attend at least one live or virtual IAM conference** at the invitation of a member (any Distinguished Fellow may invite with approval of the Recruiting Chair) before their Sponsors submit a Nomination on their behalf.

To Whom It May Concern

Andrew Goodman acted as mediator during 2021 in a case in which I acted as counsel for one of the professional parties engaged in extremely acrimonious long running proceedings in London.

He carried out his duties with exemplary thoroughness and to the entire satisfaction of my clients and as a result we were able to negotiate a proper settlement of the proceedings for which they, and I, were extremely grateful.

## *To Whom It May Concern*

I have personally known Andrew Goodman since 2008 when I first met him on an RICS training course to become an RICS accredited Mediator. He produced and led this course on behalf of the Royal Institution of Chartered Surveyors. He received very positive feedback which led to the growing community of Surveyor Mediators for the property profession.

In the years that followed Andrew gave considerable support and help in the development of myself as a mediator and to The Dispute Mediation Consultancy LLP (DMC); by giving advice, recommendations, and providing speaker opportunities. This culminated in an annual weekend joint seminar known as "Mediation Matters". These CPD sessions were co-produced by Andrew and myself and run at the University of Warwick.

DMC quickly became a well established Mediation Provider and member of the Civil Mediation Council. It grew to having over 30 Associate Surveyor and Legal Mediators throughout Great Britain, of which Andrew was one of the first cohorts of DMC Mediators.

Andrew carried out several DMC arranged Mediations; all of which were successfully resolved. Andrew was able to take on the most complex mediations which included for example, the dispute at the Royal Crescent, a £12m world heritage site in Bath UK. This mediation concerned a multi-party dispute relating to repairs and dilapidations. Andrew was able to use his expert level of Mediation skills to enable the parties to work together to resolve their differences within a day. His dealings with DMC throughout the years were nothing short of exemplary.

I am aware that Andrew has spent significant time and numerous occasions overseas giving mediation training and assisting various government departments in both the Far East and in Africa. Through his work activity and his books on Mediation Andrew has undoubtedly helped enable mediation to be adopted worldwide as a very valid alternative to economically resolve disputes.

Given the above I would have no hesitation in recommending Andrew Goodman for fellowship of the *"International Academy of Mediators"*.

Yours Sincerely

Good morning Andrew

I hope that you are well. My apologies for the delay: I was engaged in a trial last week.

I am happy to be quoted as follows:

*Andrew was extremely effective in facilitating a settlement in a long running dispute that seemed to be inexorably moving towards a fully contest trial. Andrew candidly explained to the parties the advantages in seeking a negotiated settlement and, happily, this lead to a resolution of the dispute that was to the satisfaction of both sides.*

All the best
