

## IAM PRO BONO COMMITTEE REPORT

May 19, 2022

Through the recent work of Max Factor, the Committee successfully undertook a Pro Bono assignment.

Committee goals continue to include:

1. Evaluating our relationship with public interest organizations.
2. Optimizing the work of the committee to attract more users.
3. Outreach to IAM Members to encourage (a) membership on the Committee and willingness to take cases; and (b) publicize the availability of the program to appropriate clients.
4. Evaluating how best to expand and implement our services on an international basis.
