

REPORT TO THE BOARD OF DIRECTORS

ON THE 2022 WINKLER/IAM CONFERENCE

MONTREAL BOARD MEETING - JUNE 1, 2022

The 2022 Winkler/IAM conference took place on Thursday May 12, 2022 in Toronto. This was the ninth annual conference and was done by Zoom. Hopefully next year will be live. Again, IAM Distinguished Fellow Jay Rudolph chaired the conference.

The title of the conference was “Navigating Risk in Mediation: Risk Analysis & Decision Making”.

In addition to a distinguished panel of Canadian presenters the following IAM members participated:

Jay Rudolph

Paul Iacono

Earlene Baggett-Hayes

Michel Kallipetis

Jon Fidler

Warren Winkler

My firm, M + F Mediation & Arbitration Services sponsored the event.

We had just under 100 attendees. Although the final figures have not yet been tabulated, it appears that the IAM will earn about \$3,500CDN from the event.

Respectfully submitted:

Jon Fidler
