This past year IAM has continued to receive a steady flow of new nominations. Our Member driven nomination process, whereby our existing members identify suitable candidates for nomination, is working well. Our efforts to continue to grow IAM internationally is also progressing.

This past year, of the 13 new members we added as Distinguished Fellows since May of 2022, this number included 4 international members who came from the United Kingdom, Brazil, New Zealand, and Croatia.

### Current membership:

198 - Distinguished Fellows  
19 - Distinguished Fellows Emeritus  
24- Honorary Members  
20 - Mentees  
2 -Scholars-in-Residence

**TOTAL: 217 paying members (plus honorary, mentees, and SIR)**

### Current membership by country:

United States	134
Canada	34
United Kingdom	15
Australia	4
Belgium	1
Brazil	3
Croatia	1
Switzerland	3
Germany	3
Spain	1
France	3
Great Britain	15
Greece	1
Hong Kong	1
Israel	1
India	4
Italy	2

Kenya	2
Mexico	1
New Zealand	4
Russia	1
Singapore	1

### **Past four years comparison**

2019 – 183 members  
2020 - 184 members  
2021 - 207 members  
2022 - 217 members

Each year while we add new members there are also some existing members who chose not to renew. Currently, we are in a net gain position and this is encouraging in terms of the long term expectations.

Respectfully submitted,

Jeff Hand  
Membership Chair
