

## **IAM Mentorship Program Board Report – March 2023**

### **1. General Comments:**

We are pleased to report that the Mentorship Program has been graduating mentees to full membership in the IAM. Logan Cooper and Tuba Bilecik will be inducted in Zurich. We currently have 20 teams with members from India, Brazil, France, USA and Canada.

### **2. Emerging Markets Fellowship Program:**

A new initiative was launched last year under the leadership of Distinguished Fellow/IAM Board Member Allan Stitt to identify potential mentees in emerging markets. Allan will update the Board at the instant meeting on progress and more information will follow as we embark upon this initiative.

### **3. Mentorship Program's Professional Development Series Webinars:**

Mentees, Jennifer Egsgard, Priscilla Chan, Matt Lane, IAM Fellow Lisa Amato and Chair, Wendy Kramer form the Professional Development Series (PDS) Webinar committee. We have had some excellent programming during the first quarter of 2023 and many more are scheduled to come. Mentorship Program PDS webinars are held on the last Wednesday of each month unless the speaker requests otherwise. The webinars are typically recorded and available for IAM members to watch through the IAM website if they cannot attend and you can find the recordings on the IAM Website if you missed a session. We hope that you can join us for our March 22 webinar presented by Distinguished Fellow Eleanor:

### **4. Fellowship Applications:**

Several mentees have applied for and been approved for financial assistance to attend the Zurich Conference. They are incredibly grateful for the support and could not attend without it and we thank you for your continued support of the mentorship program!
