Amazing Grace - Traditional

Amazing grace how sweet the sound
That saved a wretch like me
I once was lost but now am found
Was blind but now I see
'Twas grace that taught my heart to fear
and grace my fears relieved
How precious did that grace appear
the hour I first believed
Through many dangers, toils and snares
I have already come
'Tis grace hath brought me safe thus far
and grace will lead me home
When we've been there ten thousand years
Bright shining as the sun
We've no less days to sing God's praise
than when we first begun

Amie – Pure Prairie League

I can see why you think you belong to
me

I never tried to make you think, or let
you see one thing for yourself

But now you're off with someone
else and I'm alone

You see I thought that I might keep
you for my own

Amie, what you wanna do?

I think, I could stay with you

For a while, maybe longer if I do

Don't you think the time is right for
us to find?

All the things we thought weren't
proper could be right in time,
and can you see?

Which way we should turn together
or alone

I can never see what's right or what is
wrong

(will it take to long to see)

Amie, what you wanna do?

I think, I could stay with you

For a while, maybe longer if I do

solo

Well now

Amie, what you wanna do?

I think, I could stay with you

For a while, maybe longer if I do

Now it's come to what you want
you've had your way

And all the things you thought before
just faded into gray

and can you see;

that I don't know if it's you or if it's
me?

If it's one of us I'm sure we'll both will
see

(Won't you look at me and tell me)

Amie, what you wanna do?

I think, I could stay with you

For a while, maybe longer, longer if I
do

Yeah now

Amie, what you wanna do?

I think, I could stay with you

For a while, maybe longer, longer if I
do

I keep

Fallin' in and out of love with you

Fallin' in and out of love with you

Don't know what I'm gonna do, I'd
keep

Fallin' in and out of love

With you

Angel from Montgomery - John Prine

I am an old woman named after my mother.
My old man is another child that's grown old.
If dreams were lightning and thunder were desire
this old house would've burnt down a long time ago.

[Chorus]

Make me an angel that flies from Montgomery.
Make me a poster of an old rodeo.
Just give me one thing that I can hold on to.
To believe in this living is just a hard way to go.

[Verse 2]

When I was a young girl I had me a cowboy,
He wa'rn't much to look at, just a free ramblin' man.
But that was a long time, and no matter how I try,
the years just flow by like a broken-down dam.

[Chorus]

Make me an angel that flies from Montgomery.
Make me a poster of an old rodeo.
Just give me one thing that I can hold on to.
To believe in this living is just a hard way to go.

[Verse 3]

There's flies in the kitchen, I can hear all their buzzin'
but I ain't done nothin' since I woke up today.
But how the hell can a person go to work in the morning
come home in the evenin' and have nothin' to say?

[Chorus]

Make me an angel that flies from Montgomery.
Make me a poster of an old rodeo.
Just give me one thing that I can hold on to.
To believe in this living is just a hard way to go.

Blackbird - The Beatles

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise

Blackbird singing in the dead of night
Take these sunken eyes and learn to see
All your life
You were only waiting for this moment to be free.

Blackbird fly, Blackbird fly
Into the light of the dark black night.

Blackbird fly, Blackbird fly
Into the light of the dark black night.

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise
You were only waiting for this moment to arise
You were only waiting for this moment to arise

Blowin' In The Wind - Bob Dylan

How many roads must a man walk down
Before you call him a man?
Yes, 'n' how many seas must a white dove sail
Before she sleeps in the sand?
Yes, 'n' how many times must the cannon balls fly
Before they're forever banned?

The answer, my friend, is blowin' in the wind,
The answer is blowin' in the wind.

How many years can a mountain exist
Before it's washed to the sea?
Yes, 'n' how many years can some people exist
Before they're allowed to be free?
Yes, 'n' how many times can a man turn his head,
Pretending he just doesn't see?

The answer, my friend, is blowin' in the wind,
The answer is blowin' in the wind.

How many times must a man look up
Before he can see the sky?
Yes, 'n' how many ears must one man have
Before he can hear people cry?
Yes, 'n' how many deaths will it take till he knows
That too many people have died?

The answer, my friend, is blowin' in the wind,
The answer is blowin' in the wind

Blue Suede Shoes - Carl Perkins

Well, it's one for the money
Two for the show
Three to get ready
Now go, cat, go

But don't you step on
My blue suede shoes
You can do anything
But lay off of my blue suede
shoes

Well, you can knock me
down
Step in my face
Slander my name
All over the place
And do anything
That you wanna do
But, uh-uh, Honey
Lay off of my shoes

And don't you step on
My blue suede shoes
You can do anything
But lay off of my blue suede
shoes

You can burn my house
Steal my car
Drink my liquor
From an old fruit jar
Do anything
That you wanna do
But, uh-uh, Honey
Lay off of them shoes

And don't you step on
My blue suede shoes
You can do anything
But lay off of my blue suede
shoes

Well, it's blue, blue, blue
suede shoes
Blue, blue, blue suede shoes,
yeah
Blue, blue, blue suede shoes,
baby
Blue, blue, blue suede shoes
You can do anything
But lay off of my blue suede
shoes

Brand New Key – Melanie

I rode my bicycle past your window last night
I roller skated to your door at daylight
It almost seems like you're avoiding me
I'm okay alone but you got something I need

Well, I got a brand new pair of roller skates
You got a brand new key
I think that we should get together
And try them out, you see

I been looking around awhile
You got something for me
Oh, I got a brand new pair of roller skates
You got a brand new key

I ride my bike, I roller skate, don't drive no car
Don't go too fast but I go pretty far
For somebody who don't drive, I been all around the world
Some people say, I done all right for a girl

I asked your mother if you were at home
She said yes, but you weren't alone
Oh, sometimes I think that you're avoiding me
I'm okay alone but you've got something I need

CHORUS

Brown Eyed Girl - Van Morrison

Hey where did we go, days when the rains came
Down in the hollow, playin' a new game
Laughin' and a-runnin' hey, hey, skippin' and a-jumpin'
In the misty mornin' fog with, ah, our hearts thumpin' with
you
My brown-eyed girl, you're my brown-eyed girl

Whatever happened, to Tuesday is so slow
Goin' down the old mine with a transistor radio
Standin' in the sunlight laughin', hidin' behind a rainbow's wall
Slippin' and a-slidin' all along the waterfall with you
My brown-eyed girl, you're my brown-eyed girl

Do you remember when we used to sing
Sha la la la la la la la la la te da (just like that)
Sha la la la la la la la la la te da, la te da

So hard to find my way, now that I'm all on my own
I saw you just the other day, my, you have grown
Cast my memory back there, Lord, sometimes I'm overcome
thinkin' about
Makin' love in the green grass, behind the stadium with you
My brown-eyed girl, a-you're my brown-eyed girl

Do you remember when we used to sing
Sha la la la la la la la la la te da

Bye Bye Love - The Everly Brothers

Bye bye, love.
Bye bye, happiness.
Hello, loneliness.
I think I'm a-gonna cry-y.
Bye bye, love.
Bye bye, sweet caress.
Hello, emptiness.
I feel like I could di-ie.
Bye bye, my love, goodbye-ye.
There goes my baby
With-a someone new.
She sure looks happy.
I sure am blue.
She was my baby
'Til he stepped in.

Goodbye to romance
That might have been.
Bye bye, love.
Bye bye, happiness.
Hello, loneliness.
I think I'm a-gonna cry-y.

Bye bye, love.
Bye bye, sweet caress.
Hello, emptiness.
I feel like I could di-ie.
Bye bye, my love, goodbye-ye.
I'm a-through with romance.
I'm a-through with love.
I'm through with-a countin'
The stars above
And here's reason
That I'm so free:
My lovin' baby
Is a-through with me.
Bye bye, love.
Bye bye, happiness.
Hello, loneliness.
I think I'm a-gonna cry-y.
Bye bye, love.
Bye bye, sweet caress.
Hello, emptiness.
I feel like I could di-ie.
Bye bye, my love, goodbye-ye.

Can't Let Go – Lucinda Williams

Told you baby one more time
Don't make me sit all alone
and cry

Well it's over I know it but I
can't let go

I'm like a fish out of water
A cat in a tree

You don't even want to talk
to me

Well it's over I know it but I
can't let go

He won't take me back when
I come around

Says he's sorry then he pulls
me out

I got a big chain around my
neck

And I'm broken down like a
train wreck

Well it's over I know it but I
can't let go

See I got a candle and it
burns so bright

In my window every night

Well it's over I know but I
can't let go

You don't like to see me
standing around

Feel like I been shot and
didn't fall down

Well it's over I know it but I
can't let go

Chorus

SOLO

Turn off trouble like you turn
off a light

Went off and left me it just
ain't right

Well it's over I know it but I
can't let go

Rounds every corner
something I see

Bring me right back how it
used to be

Well it's over I know it but I
can't let go

Chorus

Well it's over I know it but I
can't let go

Well it's over I know it but I
can't let go

Don't Think Twice - Bob Dylan

It ain't no use to sit and wonder
why, babe
It don't matter, anyhow
An' it ain't no use to sit and
wonder why, babe
If you don't know by now
When your rooster crows at the
break of dawn
Look out your window and I'll be
gone
You're the reason I'm trav'lin' on
Don't think twice, it's all right

It ain't no use in turnin' on your
light, babe
That light I never knowed
An' it ain't no use in turnin' on
your light, babe
I'm on the dark side of the road
Still I wish there was somethin'
you would do or say
To try and make me change my
mind and stay
We never did too much talkin'
anyway
So don't think twice, it's all right

It ain't no use in callin' out my
name, gal
Like you never did before
It ain't no use in callin' out my
name, gal
I can't hear you any more
I'm a-thinkin' and a-wond'rin' all
the way down the road
I once loved a woman, a child I'm
told
I give her my heart but she
wanted my soul
But don't think twice, it's all right

I'm walkin' down that long,
lonesome road, babe
Where I'm bound, I can't tell
But goodbye's too good a word,
gal
So I'll just say fare thee well
I ain't sayin' you treated me
unkind
You could have done better but I
don't mind
You just kinda wasted my
precious time
But don't think twice, it's all right

Dream - Everly Brothers

Dream, dream, dream, dream
When I want you in my arms
When I want you and all your charms
Whenever I want you, all I have to do is
Dream, dream, dream, dream

When I feel blue in the night
And I need you to hold me tight
Whenever I want you, all I have to do is dream

I can make you mine, taste your lips of wine
Anytime night or day
Only trouble is, gee whiz
I'm dreamin' my life away

I need you so that I could die
I love you so and that is why
Whenever I want you, all I have to do is
Dream, dream, dream, dream

I can make you mine, taste your lips of wine
Anytime night or day
Only trouble is, gee whiz
I'm dreamin' my life away

I need you so that I could die
I love you so and that is why
Whenever I want you, all I have to do is
Dream, dream, dream, dream
Dream, dream, dream, dream

End Of The Line - Traveling Wilburys

Well it's all right, riding around in
the breeze
Well it's all right, if you live the life
you please
Well it's all right, doing the best
you can
Well it's all right, as long as you
lend a hand

You can sit around and wait for the
phone to ring
Waiting for someone to tell you
everything
Sit around and wonder what
tomorrow will bring
Maybe a diamond ring

Well it's all right, even if they say
you're wrong
Well it's all right, sometimes you
gotta be strong
Well it's all right, as long as you got
somewhere to lay
Well it's all right, every day is
judgement day

Maybe somewhere down the road
aways
You'll think of me, and wonder
where I am these days
Maybe somewhere down the road
when somebody plays
Purple Haze

Well it's all right, even when push
comes to shove
Well it's all right, if you got
someone to love
Well it's all right, everything'll work
out fine
Well it's all right, we're going to
the end of the line

Don't have to be ashamed of the
car I drive
I'm just glad to be here, happy to
be alive
It don't matter, if you're by my side
I'm satisfied

Well it's all right, even if you're old
and grey
Well it's all right, you still got
something to say
Well it's all right, remember to live
and let live
Well it's all right, the best you can
do is forgive
Well it's all right, riding around in
the breeze
Well it's all right, if you live the life
you please
Well it's all right, even if the sun
don't shine
Well it's all right, we're going to
the end of the line

Folsom Prison Blues - Johnny Cash

I hear the train a comin'
It's rolling round the bend
And I ain't seen the sunshine since I don't know when,
I'm stuck in Folsom prison, and time keeps draggin' on
But that train keeps a rollin' on down to San Antone
When I was just a baby my mama told me son,
Always be a good boy, don't ever play with guns.
But I shot a man in Reno just to watch him die
When I hear that whistle blowing, I hang my head and cry
Suey!

I bet there's rich folks eating in a fancy dining car
They're probably drinkin' coffee and smoking big cigars.
Well I know I had it coming, I know I can't be free
But those people keep a movin'
And that's what tortures me
Suey!

Well if they freed me from this prison,
If that railroad train was mine
I bet I'd move it on a little farther down the line
Far from Folsom prison, that's where I want to stay
And I'd let that lonesome whistle blow my blues away

Free Falling - Tom Petty

She's a good girl, loves her
mama.
Loves Je- sus, and America too.
Shes a good girl, crazy 'bout
Elvis
Loves hor- ses, and her boy-
friend too, yeah yeah.

It's a long day living in Reseda.
There's a free- way runnin'
through the yard.
I'm a bad boy 'cause I don't even
miss her.
I'm a bad boy for breakin' her
heart.

And I'm free,
Free fallin', fallin'
And I'm free,
Free fallin', fallin'

All the vampires walkin' through
the valley.
They move west down Ventura
Boule-vard.
And all the bad boys are
standing in the shadows.
And the good girls are home
with broken hearts.

And I'm free,
Free fallin', fallin'
And I'm free,
Free fallin', fallin'

Free fallin' now. Free fallin',
now
Free fallin' now. Free fallin',
now
Free fallin' now. Free fallin',
now
Free fallin' now. Free fallin',
now

I wanna glide down over Mul-
holland.
I wanna write her, her name in
the sky.
I wanna free fall out into
nothin'.
Oh, I'm gonna leave this, this
world for a while.

Now I'm free,
Free fallin', fallin'
Now I'm free,
Free fallin', fallin'

Go Your Own Way - Fleetwood Mac

Loving you, isn't the right thing to do
How can I, ever change things that I feel?
If I could, baby I'd give you my world
How can I, when you won't take it from me?

You can go your own way, go your own way
You can call it another lonely day
You can go your own way, go your own way

Tell me why, everything turned around?
Packing up, shacking up is all you wanna do
If I could, baby I'd give you my world
Open up, everything's waiting for you

[Chorus]

You can go your own way, go your own way
You can call it another lonely day
You can go your own way go your own way

You can go your own way, go your own way
You can call it another lonely day
You can go your own way, go your own way
You can call it another lonely day

Hallelujah - Leonard Cohen (Jeff Buckley)

I heard there was a secret chord
That David played and it pleased the
Lord
But you don't really care for music,
do ya?
Well it goes like this the fourth, the
fifth
The minor fall and the major lift
The baffled king composing
hallelujah
Hallelujah, hallelujah, hallelujah,
hallelu-u-u-jaaah

Well your faith was strong but you
needed proof
You saw her bathing on the roof
Her beauty and the moonlight over
threw ya
She tied you to the kitchen chair
She broke your throne and she cut
your hair
And from your lips she drew the
hallelujah
You say I took the name in vain
I don't even know the name
But if I did, well really, what's it to ya'
There's a blaze of light in every word
It doesn't matter which you heard
The holy or the broken Hallelujah
I did my best, it wasn't much
I couldn't feel, so I tried to touch
I've told the truth, I didn't come to

fool ya
And even though it all went wrong
I'll stand before the Lord of Song
With nothing on my tongue but
Hallelujah
Baby I've been here before
I've seen this room and I've walked
this floor
I used to live alone before I knew
ya
I've seen your flag on the marble
arch
But love is not a victory march
It's a cold and it's a broken
hallelujah
Well there was a time when you let
me know
What's really going on below
But now you never show that to me
do ya?
But remember when I moved in
you
And the holy dove was moving too
And every breath we drew was
hallelujah
Well, maybe there's a god above
But all I've ever learned from love
Was how to shoot somebody who
outdrew ya
It's not a cry that you hear at night
It's not somebody who's seen the
light
It's a cold and it's a broken hallelujah

Handle Me With Care - Travelling Wilburys

Been beat up and battered
'round,
been sent up, and I've been shot
down

You're the best thing that I've
ever found;
handle me with care
Reputations changeable,
situations tolerable
But baby, you're adorable;
handle me with care

I'm so tired of being lonely,
I still have some love to give
Won't you show me that you
really care

Everybody's, got somebody, to
lean on
Put your body, next to mine, and
dream on

I've been fobbed off, and I've
been fooled,
I've been robbed and ridiculed

In day care centers and night
schools;
handle me with care

Been stuck in airports,
terrorized,
sent to meetings, hypnotized
Overexposed, commercialized;
handle me with care

I'm so tired of being lonely,
I still have some love to give
Won't you show me that you
really care

Everybody's, got somebody, to
lean on
Put your body, next to mine, and
dream on

I've been uptight and made a
mess,
but I'll clean it up myself, I guess
Oh, the sweet smell of success;
handle me with care

Here Comes The Sun - The Beatles

Here comes the sun
Here comes the sun
And i say it's all right

Little dar - ling, its been a long, cold, lonely winter
Little dar - ling it feels like years since its been here
Here comes the sun
Here comes the sun
And i say it's all right

Little dar - ling, the smile's returning to their faces,
Little dar - ling, it seems like years since its been here
Here comes the sun
Here comes the sun
And i say it's all right
Sun, sun, sun, here it comes

Little dar - ling, i feel that ice is slowly melting,
Little dar - ling, it seems like years since its been clear

Here comes the sun
Here comes the sun
And i say it's all right

Here comes the sun.
Here comes the sun
And i say it's all right

Hey Jude - The Beatles

Hey Jude, don't make it bad,
take a sad song and make it
better

Remember to let her into your
heart, then you can start to
make it better

Hey Jude, don't be afraid, you
were made to go out and get her

The minute you let her under
your skin, then you begin to
make it better

And anytime you feel the pain,
hey Jude, refrain, don't carry the
world upon your shoulders

For well you know that it's a fool
who plays it cool by making his
world a little colder

Da da da da da da da da

Hey Jude, don't let me down,
you have found her, now go and
get her

Remember to let her into your
heart, then you can start to
make it better

So let it out and let it in, hey
Jude, begin, you're waiting for
someone to perform with

And don't you know that it's just
you, hey Jude, you'll do, the
movement you need is on your
shoulders

[Interlude]

Da da da da da da da da

[Verse]

Hey Jude, don't make it bad,
take a sad song and make it
better

Remember to let her under your
skin, then you begin to make it
better

[Outro]

Na na na na na na na na na na
na, hey Jude

Na na na na na na na na na na
na, hey Jude

Na na na na na na na na na na
na, hey Jude

Hey Ya – Outkast

My baby don't mess around because
she loves me so, and this I know for
sure

But does she really wanna, but can't
stand to see me walk out the door

I can't stand to fight the feeling,
cause the thought alone is killing me
right now

Thank god for mom and dad for
sticking two together, cause we don't
know how

And hey ya, hey ya, hey ya, hey ya

You think you got it, oh you think you
got it, but God I just don't get it, till
there's nothing at all

We get together, oh we get together,
but separate's always better, when
there's feelings involved

If what they say that nothing is
forever, oh then what makes, then
what makes, then what makes
Then what makes, what makes love
the exception

So why, oh why oh, why oh why oh
why oh, are we so in denial when we
know we're not happy here

And hey ya, hey ya, and hey ya, hey
ya

And hey ya, hey ya, and hey ya, hey
ya

Alright now fellas, you're oh what's
cooler than being cool

I can't hear you, now, now, now, I say
what's cooler than being cool
And alright, alright, alright, alright,
alright, alright

Alright, alright, alright, alright, alright,
alright, alright now

Ladies, yeah we're gonna break it
down in just a few seconds here

Don't make me break it down for
nothing, I wanna see you all on your
alls baddest behaviour

Lend me some sugar, I am your
neighbour

Shake it, shake, shake it, shake, shake
it, shake, shake, shake it, shake it,
shake it

Shake, shake, shake it, shake, shake,
shake it

Shake, shake, shake it, shake, shake,
shake it, shake, shake, shake it, shake
it, shake it

Shake, shake, shake it, shake it like a
Polaroid Picture now

But shake it, oh now sh, oh I said
shake it up

Shake it oh now, oh now shake it up
Oh I said shake it oh now now, oh
now shake it up

And shake it up, oh now shake it up

And hey ya, hey ya, and hey ya, hey
ya ooh no oh

Ho Hey - The Lumineers

I've been trying to do it right, Hey, I've been living a lonely life
Ho, I've been sleeping here instead, Hey, I've been sleeping in
my bed

Ho, I've been sleeping in my bed, Hey, Ho

So show me family, Hey, all the blood that I would bleed

Ho, I don't know where I belong, Hey, I don't know where I
went wrong

Ho, but I can write a song, Hey, two, three

I belong with you, you belong with me, you're my sweet--heart

I belong with you, you belong with me, you're my sweet

Ho, Hey, Ho, Hey

Ho!, I don't think you're right for him, Hey, look at what it
might have been if you

Ho, took a bus to Chinatown, Hey, I've been standing on Canal

Ho, and Bowery, Hey

Ho, and she'd be standing next to me, Hey, two, three

I belong with you, you belong with me, you're my sweet--heart

I belong with you, you belong with me, you're my sweet--heart

And love, we need it now, let's hope for some

'Cause oh, we're bleeding out

I belong with you, you belong with me, you're my sweet--heart

I belong with you, you belong with me you're my sweet

Ho, Hey, Ho, Hey!

Hound Dog - Elvis Presley

You ain't nothin' but a hound dog
cryin' all the time.

You ain't nothin' but a hound dog
cryin' all the time.

Well, you ain't never caught a rabbit
and you ain't no friend of mine.

When they said you was high classed,
well, that was just a lie.

When they said you was high classed,
well, that was just a lie.

You ain't never caught a rabbit
and you ain't no friend of mine.

House Of The Rising Sun - The Animals

There is a house in New Orleans
They call the "Rising Sun"
And it's been the ruin of many a poor boy
And God, I know, I'm one

My mother was a tailor
She sewed my new blue jeans
My father was a gambling man
Down in New Orleans.

Now the only thing a gambler needs
Is a suitcase and a trunk
And the only time, he's satisfied,
Is when he's on a drunk

O, mother, tell your children
Not to do what I have done
Spend your lives in sin and misery
In the House of Rising Sun

Well, I got one foot on the platform
The other foot on the train
I'm going back to New Orleans
To wear that ball and chain

Well, there is a house in New Orleans
They call the "Rising Sun"
And it's been the ruin of many a poor boy
And God, I know, I'm one

I'm On Fire – Springsteen

Hey little girl, is your daddy home?
Did he go away and leave you all alone? Mhmm
I got a bad desire
Oh oh oh, I'm on fire

Tell me now, baby, is he good to you?
And can he do to you the things that I do? Oh no
I can take you higher
Oh oh oh, I'm on fire

Sometimes it's like someone took a knife, baby
Edgy and dull and cut a six inch valley
Through the middle of my skull

At night I wake up with the sheets soaking wet
And a freight train running through the middle of my head
Only you can cool my desire
Oh oh oh, I'm on fire
Oh oh oh, I'm on fire
Oh oh oh, I'm on fire

Woo ooh ooh
Woo ooh ooh
Ooh ooh ooh
Woo ooh ooh
Woo ooh ooh

I'm Yours - Jason Mraz

Well, you done done me in, you bet I felt it

I tried to be chill, but you're so hot that I melted

I fell right through the cracks

Now I'm trying to get back

Before the cool done run out

I'll be giving it my bestest

And nothing's gonna stop me but divine intervention

I reckon it's again my turn

To win some or learn some

But I won't hesitate no more, no more

It cannot wait, I'm yours

Hmm (hey, hey)

Well, open up your mind and see like me

Open up your plans and, damn, you're free

And look into your heart and you'll find love, love, love, love

Listen to the music of the moment, people dance and sing

We're just one big family

And it's our God-forsaken right to be loved, loved, loved, loved, loved

So I won't hesitate no more, no more

It cannot wait, I'm sure

There's no need to complicate

Our time is short

This is our fate, I'm yours

Do, do, do, do you, but do you, do you, do, do, but do you want to come on?

Scooch on over closer, dear

And I will nibble your ear

A-soo-da-ba-ba-ba-ba-bum

Whoa-oh-oh

Whoa-oh-oh-oh-oh-whoa-whoa-whoa

Uh-huh, mmm-hmm

I've been spending way too long

checking my tongue in the mirror

And bending over backwards just to try to see it clearer

But my breath fogged up the glass

And so I drew a new face and I laughed

I guess what I've been saying is there ain't no better reason

To rid yourself of vanities and just go with the seasons

It's what we aim to do

Our name is our virtue

But I won't hesitate no more, no more

It cannot wait, I'm yours

Well, open up your mind and see like me

Open up your plans and, damn, you're free

And look into your heart, and you'll find that the sky is yours

So please don't, please don't, please don't

There's no need to complicate

'Cause our time is short

This, oh this, this is our fate, I'm yours

Oh, I'm yours

Oh, I'm yours

Oh, whoa, baby, do you believe I'm yours?

You best believe, you best believe I'm yours, mmm-hmm

I've Just Seen a Face - The Beatles

I've just seen a face,
I can't forget the time or
place
Where we just met.
She's just the girl for me
And I want all the world to
see
We've met, mmm-mmm-
mmm-m'mmm-mmm.
Had it been another day
I might have looked the
other way
And I'd have never been
aware.
But as it is I'll dream of her
Tonight, di-di-di-di'n'di.
Falling, yes I am falling,
And she keeps calling
Me back again.
I have never known
The like of this, I've been
alone
And I have missed things
And kept out of sight
But other girls were never

quite
Like this, mmm-mmm-mmm-
m'mmm
Falling, yes I am falling,
And she keeps calling
Me back again.
Falling, yes I am falling,
And she keeps calling
Me back again.
(break)
I've just seen a face,
I can't forget the time or
place
Where we just met.
She's just the girl for me
And I want all the world to
see
We've met, mmm-mmm-
mmm-di'n'di
Falling, yes I am falling,
And she keeps calling
Me back again.
Oh, falling, yes I am falling,
And she keeps calling
Me back again.

In My Life - The Beatles

There are places I'll remember
All my life though some have changed
Some forever, not for better
Some have gone and some remain

All these places have their moments
With lovers and friends I still can recall
Some are dead and some are living
In my life I've loved them all

But of all these friends and lovers
There is no one compares with you
And these memories lose their meaning
When I think of love as something new

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more

In my life I love you more

Johnny B. Goode - Chuck Berry

Way down Louisiana close to New Orleans,
Way back up in the woods among the evergreens...
There stood a log cabin made of earth and wood,
Where lived a country boy name of johnny b. goode...
He never ever learned to read or write so well,
But he could play the guitar like ringing a bell.

Go go

Go johnny go

Go go

Johnny b. goode

He use to carry his guitar in a gunny sack
And sit beneath the trees by the railroad track.
Oh, the engineers used to see him sitting in the shade,
Playing to the rhythm that the drivers made.
People passing by would stop and say
Oh my that little country boy could play
His mama told him someday he would be a man,
And he would be the leader of a big old band.
Many people coming from miles around
To hear him play his music when the sun go down
Maybe someday his name would be in lights
Saying johnny b. goode tonight

Lawyers, Guns and Money - Warren Zevon

I went home with a waitress,
the way I always do
How was I to know?
She was with the Russians too

I was gambling in Havana,
I took a little risk
Send lawyers, guns, and money,
and get me out of this

I m the innocent bystander,
but somehow I got stuck
Between a rock and a hard place,
and I m down on my luck
Yes, I m down on my luck,
yes, I m down on my luck

I'm hiding in Honduras,
I'm a desperate man
Send lawyers, guns, and money,
the shit has hit the fan

Send lawyers, guns, and money, huh
Send lawyers, guns, and money, huh
Send lawyers, guns, and money, hey
Send lawyers, guns, and money, oh

Light On – Maggie Rogers

Would you believe me now
If I told you I got caught up in a wave?
Almost gave it away
Would you hear me out
If I told you I was terrified for days?
Thought I was gonna break

Oh, I couldn't stop it
Tried to slow it all down
Crying in the bathroom
Had to figure it out
With everyone around me saying
"You must be so happy now"

CHORUS

Oh, if you keep reachin' out
Then I'll keep comin' back
'Cause if you're gone for good
Then I'm okay with that
If you leave the light on
Then I'll leave the light on
(Light on, light on, light on)
And I am findin' out
There's just no other way
That I'm still dancin'
At the end of the day
If you leave the light on
Then I'll leave the light on
(Light on, light on, light on)

And do you believe me now
That I always had the best intentions,
babe?
Always wanted to stay
And can you feel me now

That I'm vulnerable in oh-so many
ways?

Oh, and I'll never change

Oh, I couldn't stop it
Tried to figure it out
But everything kept moving
And the noise got too loud
With everyone around me saying
"You should be so happy now"

CHORUS

Oh, leave the light on
Oh, would you leave the light on?
Oh

If you keep reachin' out
Then I'll keep comin' back
But if you're gone for good
Then I'm okay with that
If you leave the light on
Then I'll leave the light on
(Light on, light on, light on)
And I am findin' out
There's just no other way
That I'm still dancin'
At the end of the day
And if you leave the light on
Then I'll leave the light on
(Light on, light on, light on)

Oh, if you leave the light on
Then I'll leave the light on
Oh, if you leave the light on
Mm

Look at Miss Ohio – Gillian Welch

Oh me oh my oh, look at Miss Ohio
She's a-running around with her rag-top down
She says I want to do right but not right now
Gonna drive to Atlanta and live out this fantasy
Running around with the rag-top down
Yeah I want to do right but not right now

Had your arm around her shoulder, a regimental soldier
An' mamma starts pushing that wedding gown
Yeah you want to do right but not right now

Oh me oh my oh, would ya look at Miss Ohio
She's a-runnin' around with the rag-top down
She says I want to do right but not right now

I know all about it, so you don't have to shout it
I'm gonna straighten it out somehow
Yeah I want to do right but not right now

Oh me oh my oh, look at Miss Ohio
She a-runnin' around with her rag-top down
She says I want to do right , but not right now
Oh I want to do right but not right now

Me and Julio Down by the Schoolyard - Paul Simon

Mama Pajama rolled out of bed
and she ran to the police station
When the papa found out he
began to shout
and that's what started the
investigation

But it's against the law, it was
against the law
What the mama saw, was
against the law

Well the mama looks down and
she spit on the ground
Every time my name gets
mentioned
And the papa says "Oy, when I
get that boy
I'm gonna stick him in the house
of detention!"

[Chorus]

And I'm on my way, I don't know
where I'm going
I'm on my way, takin' my time
but I don't know where
Goodbye to Rosie, Queen of
Corona

See you, me, and Julio down by
the schoolyard
See you, me, and Julio down by
the schoolyard

In a couple of days they come
and take me away
But the press let the story leak
And when the radical priest
come and get me released
We's all on the cover of
Newsweek.

[Chorus]

And I'm on my way, I don't know
where I'm going
I'm on my way, takin' my time
but I don't know where
Goodbye to Rosie, Queen of
Corona
See you, me, and Julio down by
the schoolyard
See you, me, and Julio down by
the schoolyard
See you, me, and Julio down by
the schoolyard

Fire

Son of a Preacher Man – Dusty Springfield

Billy Ray was the preacher's son
And when his daddy would visit he'd
come along

When they gathered 'round and
started talkin'

That's when Billy would take me
walkin'

Out through the back yard we'd go
walkin'

Then he'd look into my eyes
Lord knows, to my surprise

The only one who could ever reach
me

Was the son of a preacher man

The only boy who could ever teach
me

Was the son of a preacher man

Yes, he was, he was, ooh, yes, he was

Being good isn't always easy

No matter how hard I try

When he started sweet-talkin' to me

He'd come and tell me "Everything is
alright"

He'd kiss and tell me "Everything is
alright"

Can I get away again tonight?

The only one who could ever reach
me

Was the son of a preacher man

The only boy who could ever teach
me

Was the son of a preacher man

Yes, he was, he was, ooh, Lord
knows, he was (yes, he was)

How well I remember

The look that was in his eyes

Stealin' kisses from me on the sly

Takin' time to make time

Tellin' me that he's all mine

Learnin' from each other's knowin'

Lookin' to see how much we've
grown and

The only one who could ever reach
me

Was the son of a preacher man

The only boy who could ever teach
me

Was the son of a preacher man

Yes, he was, he was, oh, yes, he was

He was the sweet-talkin' son of a
preacher man

(The only boy who could ever teach
me)

I kissed me the son of a preacher man

(The only one who could ever move
me)

The sweet-lovin' son of a preacher
man

(The only one who could ever groove
me)

(Was the son of a preacher man)

(The only one who could ever reach
me)

(Was the son of a)

Stand By Me - Ben King

When the night has come
And the land is dark
And the moon is the only light we'll see
No I won't be afraid, oh I won't be afraid
Just as long as you stand, stand by me

So darlin', darlin', stand by me, oh stand by me
oh stand, stand by me, stand by me

If the sky that we look upon
Should tumble and fall
And the mountains should crumble to the sea
I won't cry, I won't cry, no I won't shed a tear
Just as long as you stand, stand by me

So darlin', darlin', stand by me, oh stand by me
oh stand now, stand by me, stand by me

So darlin', darlin', stand by me, oh stand by me
oh stand now, stand by me, stand by me

Whenever you're in trouble just stand by me
oh stand by me, whoa stand now oh stand, stand by me

So darlin', darlin', stand by me, oh stand by me
oh stand now, stand by me, stand by me

Take Another Piece of My Heart – Dusty Springfield

Oh, come on, come on, come on,
come on
Didn't I make you feel like you were
the only man? Yeah
And didn't I give you nearly
everything that a woman possibly
can?
Honey, you know I did
And each time I tell myself that I, well
I think I've had enough
But I'm gonna show you, baby, that a
woman can be tough

I want you to come on, come on,
come on, come on and take it
Take another little piece of my heart
now, baby (whoa, break it)
Break another little bit of my heart
now, darling, yeah, yeah, yeah (whoa,
have a)
Have another little piece of my heart
now, baby
You know you got it if it makes you
feel good
Oh, yes indeed

You're out on the streets looking
good
And baby, deep down in your heart, I
guess you know that it ain't right
Never, never, never, never, never,
never hear me when I cry at night
Babe, and I cry all the time
But each time I tell myself that I, well
I can't stand the pain

But when you hold me in your arms,
I'll sing it once again

I said come on, come on, come on,
come on and take it
Take another little piece of my heart
now, baby
Break another little bit of my heart
now, darling, yeah
Have another little piece of my heart
now, baby
Well, you know you got it, child, if it
makes you feel good

I need you to come on, come on,
come on, come on and take it
Take another little piece of my heart
now, baby (whoa, break it)
Break another little bit of my heart,
now darling, yeah, c'mon now (whoa,
have a)
Have another little piece of my heart
now, baby
You know you got it, whoa

Take it
Take another little piece of my heart
now, baby (whoa, break it)
Break another little bit of my heart,
now darling, yeah, yeah, yeah, yeah
(whoa, have a)
Have another little piece of my heart
now, baby, hey
You know you got it, child, if it makes
you feel good

Two of Us - Beatles

Two of us riding nowhere
Spending someone's hard
earned pay.
You and me Sunday driving, not
arriving
On our way back home
We're on our way home
We're on our way home
We're going home.

Two of us sending postcards
Writing letters on my wall
You and me burning matches,
lifting latches
On our way back home
We're on our way home
We're on our way home
We're going home.

[Pre-Chorus]

You and I have memories
Longer than the road that
stretches out ahead

[Chorus]

Two of us wearing raincoats

Standing solo in the sun.
You and me chasing paper,
getting nowhere
On our way back home
We're on our way home
We're on our way home
We're going home.

[Pre-Chorus]

You and I have memories
Longer than the road that
stretches out ahead

[Chorus]

Two of us wearing raincoats
Standing solo in the sun.
You and me chasing paper,
getting nowhere
On our way back home
We're on our way home
We're on our way home
We're going home.

[we're going home, better
believe it, goodbye]

Wake Up Little Susie - Everly Brothers

Wake up little Susie, wake up
Wake up little Susie, wake up
We both been sound asleep, wake up little Susie and weep
The movie's over, it's four o'clock and we're in trouble deep
Wake up little Susie, wake up little Susie

Well, what're we gonna tell your mamma?
What're we gonna tell your pa?
What're we gonna tell our friends when they say "ooh la la"?
Wake up little Susie, wake up little Susie

Well I told your momma that you'd be in by ten
Well now Susie baby looks like we goofed again
Wake up little Susie, wake up little Susie, we gotta go home

Wake up little Susie, wake up
Wake up little Susie, wake up
The movie wasn't so hot, it didn't have much of a plot
We fell asleep, our goose is cooked, our reputation is shot
Wake up little Susie, wake up little Susie...

Well, what're we gonna tell your mamma?
What're we gonna tell your pa?
What're we gonna tell our friends when they say "ooh la la"?
Wake up little Susie, wake up little Susie
Wake up little Susie

Wagon Wheel - Old Crow Medicine Show

Headin' down south to the land of
the pines
I'm thumbin' my way into North
Caroline
Starin' up the road and pray to God I
see headlights

I made it down the coast in
seventeen hours
Pickin' me a bouquet of dogwood
flowers
And I'm a-hopin' for Raleigh, I can see
my baby tonight

So, rock me mama like a wagon
wheel
Rock me mama any way you feel
Hey... mama rock me
Rock me mama like the wind and the
rain
Rock me mama like a southbound
train
Hey... mama rock me

Runnin' from the cold up in New
England
I was born to be a fiddler in an old
time string band
My baby plays a guitar, I pick a banjo
now
Oh, north country winters keep a-
gettin' me down
Lost my money playin' poker, so I had
to leave town
But I ain't a-turnin' back to livin' that
old life no more

So, rock me mama like a wagon
wheel
Rock me mama any way you feel
Hey... mama rock me
Yeah, rock me mama like the wind
and the rain

Rock me mama like a southbound
train
Hey... mama rock me

Walkin' to the south out of Roanoke
I caught a trucker out of Philly, had a
nice long toke

But he's a-headin' west from the
Cumberland Gap
To Johnson City, Tennessee
And I gotta get a move on before the
sun

I hear my baby callin' my name and I
know that she's the only one
And if I died in Raleigh, at least I will
die free

So, rock me mama like a wagon
wheel
Rock me mama any way you feel
Hey... mama rock me
Oh, rock me mama like the wind and
the rain

Rock me mama like a southbound
train
Hey... mama rock me
So, rock me mama like a wagon
wheel

What's So Funny About Peace, Love And Understanding - Nick
Lowe

As I walk through this wicked world
Searching for light in the darkness of insanity
I ask myself, is all hope lost?
Is there only pain and hatred and misery?
And each time I feel like this inside
There's one thing I want to know
Oh, what's so funny 'bout peace, love and understanding?
And as I walk on through troubled times
My spirit gets so down-hearted sometimes
So where are the strong?
And who are the trusted
And where is that harmony? Sweet harmony
'Cause each time I feel it slipping away
Just makes me want to cry
What's so funny 'bout peace, love and understanding?
Oh, what's so funny 'bout peace, love and understanding?
So where are the strong?
And who are the trusted?
And where is that harmony? Sweet harmony
'Cause each time I feel it slipping away
Just makes me want to cry
Oh, what's so funny 'bout peace, love and understanding
Oh, what's so funny 'bout peace, love and understanding?

When I'm Sixty-Four - Beatles

When I get older losing my hair,
Many years from now.
Will you still be sending me a
Valentine.
Birthday greetings bottle of
wine.
If I'd been out 'till quarter to
three.
Would you lock the door.
Will you still need me, will you
still feed me,
When I'm sixty-four.
You'll be older too,
And if I say the word,
I could stay with you.
I could be handy, mending a fuse
When your lights have gone.
You can knit a sweater by the
fireside
Sunday morning go for a ride,
Doing the garden, digging the
weeds,
Who could ask for more.

Will you still need me, will you
still feed me
When I'm sixty-four.
Every summer we can rent a
cottage,
In the Isle of Wight, if it's not too
dear
We shall scrimp and save
Grandchildren on your knee
Vera, Chuck & Dave
Send me a postcard, drop me a
line,
Stating point of view
Indicate precisely what you
mean to say
Yours sincerely wasting away
Give me your answer, fill in a
form
Mine for evermore
Will you still need me, will you
still feed me
When I'm sixty-four.

Wildflowers - Tom Petty

You belong among the wildflowers
You belong in a boat out at sea
Sail away, kill off the hours
You belong somewhere you feel free

Run away, find you a lover
Go away, somewhere all bright and new
I have seen no other,
who compares with you

You belong among the wildflowers
You belong in a boat out at sea
You belong with your love on your arm
You belong somewhere you feel free

Run away, go find a lover
Run away, let your heart be your guide
You deserve the deepest of cover
You belong in that home by and by

You belong among the wildflowers
You belong somewhere close to me
Far away from your trouble and worry
You belong somewhere you feel free

You belong somewhere you feel free

Wild World - Cat Stevens

Now that I've lost everything to
you
You say you wanna start
something new
And it's breaking my heart you're
leaving
Baby, I'm grievin'
But if you want to leave, take good
care
Hope you have a lot of nice things
to wear
But then a lot of nice things turn
bad out there

Oh, baby, baby it's a wild world
It's hard to get by just upon a smile
Oh, baby, baby it's a wild world
I'll always remember you like a
child, girl

You know I've seen a lot of what
the world can do
And it's breaking my heart in two
Because I never want to see you
sad, girl
Don't be a bad girl
But if you want to leave take good
care
Hope you make a lot of nice friends
out there

But just remember there's a lot of
bad, and beware

Oh, baby, baby it's a wild world
It's hard to get by just upon a smile
Oh, baby, baby it's a wild world
I'll always remember you like a
child, girl

Baby I love you
But if you want to leave take good
care
Hope you make a lot of nice friends
out there
But just remember there's a lot of
bad and beware

Oh, baby, baby it's a wild world
It's hard to get by just upon a smile
Oh, baby, baby it's a wild world
I'll always remember you like a
child, girl

Oh, baby, baby it's a wild world
It's hard to get by just upon a smile
Oh, baby, baby it's a wild world
I'll always remember you like a
child, girl

You Can't Always Get What You Want - The Rolling Stones

I saw her today at a reception
A glass of wine in her hand
I knew she would meet her
connection
At her feet was her footloose man

No, you can't always get what you
want
You can't always get what you want
You can't always get what you want
And if you try sometime, you might
find
You get what you need ahhhhhhah
yeah

And I went down to the
demonstration
To get my fair share of abuse
Singing, "We're gonna vent our
frustration
If we don't we're gonna blow a 50-
amp fuse"
Sing it to me now...

You can't always get what you want
You can't always get what you want
You can't always get what you want
And if you try sometime, you might
find
You get what you need ahhhhhhah
yeah

I went down to the Chelsea drugstore
To get your prescription filled
I was standing in line with Mr. Jimmy

And man, did he look pretty ill
We decided that we would have a
soda
My favorite flavor, cherry red
I sung my song to Mr. Jimmy
Yeah, and he said one word to me,
and that was "dead"
I said to him

You can't always get what you want
You can't always get what you want
You can't always get what you want
And if you try sometime, you might
find
You get what you need ahhhhhhah
yeah
Oh yes! Woo!

You get what you need--yeah, oh
baby!
Oh yeah!

I saw her today at the reception
In her glass was a bleeding man
She was practiced at the art of
deception
Well I could tell by her blood-stained
hands

You can't always get what you want
You can't always get what you want
You can't always get what you want
And if you try sometime, you might
find
You get what you need

You've Got A Friend – Carole King

When you're down and troubled and you need a helping hand,
and nothing, oh, nothing is going right,
close your eyes and think of me and soon I will be there
to brighten up even your darkest night.

You just call out my name, and you know wherever I am,
I'll come running to see you again.

Winter, spring, summer, or fall, all you got to do is call
and I'll be there, yeah, yeah, yeah.

You've got a friend.

If the sky above you should turn dark and full of clouds,
and that old north wind should begin to blow,
keep your head together and call my name out loud.
Soon I'll be knocking upon your door.

Chorus

Hey ain't it good to know that you've got a friend when
people can be so cold. They'll hurt you and desert you.
Well, they'll take your soul if you let them.

Oh yeah, but don't you let them.

You just call out my name, and you know wherever I am,
I'll come running to see you again.

Winter, spring, summer, or fall, all you got to do is call
and I'll be there, yes I will.

You've got a friend. You've got a friend.

Ain't it good to know you've got a friend?

Ain't it good to know you've got a friend?

Oh, yeah, yeah. You've got a friend.

You've Got to Hide Your Love Away - The Beatles

Here I stand head in hand
Turn my face to the wall
If she's gone I can't go on
Feelin' two-foot small

Everywhere people stare
Each and every day
I can see them laugh at me
And I hear them say

Hey, you've got to hide your love away
Hey, you've got to hide your love away

How can I even try
I can never win
Hearing them, seeing them
In the state I'm in

How could she say to me
Love will find a way
Gather 'round all you clowns
Let me hear you say

Hey, you've got to hide your love away
Hey, you've got to hide your love away
